## THIS IS YOUR SHIPPING COST CHART FOR LINERS (2½" & 3" POTS)

By checking this chart along with the catalog prices, you can determine exactly how much a liner will cost laid down at your nursery.

For example, the laid down price of AMYGDALUS ROSEA NANA in 2½" pots to any point in IOWA would be 18c or JUNIPER CHINENSIS PFITZERIANA in 3" pots to any point in UTAH for 39c.

**DELIVERY.** Free delivery in the Los Angeles Metropolitan area, San Bernardino, Riverside, San Diego and Santa Barbara. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use the safest and least expensive method unless specific instructions are given.

**NON-WARRANTY** The Monrovia Nursery Company will exercise care to have all plants true to name. Nevertheless, it is understood that should any plant prove otherwise, we shall not be liable for any sum greater than that paid for such plants as may prove untrue. If the purchaser does not accept the goods on these terms, they are to be returned at once.

**TERMS** While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

**WELCOME TO OUR NURSERY** Telephone or just drop us a note and we will meet you at the terminal and be pleased to assist you in obtaining accommodations. We want you to visit us.

**PLEASE REMEMBER** We deeply appreciate your patronage, and shall endeavor to always say "thank you" by the careful manner in which we will service your every order . . . large or small.
